Commander in Chief,  
North American Air Defense Command  
Ent Air Force Base  
Colorado Springs, Colorado

Dear General Reeves:

I wish to thank you for the outstanding briefings given by officers and civilian members of your Command on 26 and 27 October 1966 to members of the Midcareer Executive Development Course of the Central Intelligence Agency. A special note of appreciation is extended to Brigadier General Wright J. Sherrard, USAF, for his cordial reception and overall management of the program.

The Briefing Host, Colonel M. J. Platiniza, USAF, and all of those associated with the program provided interesting and significantly informative briefings which served admirably to explain the strategic as well as the day-to-day operating problems of the North American Air Defense Command. The briefings at Cheyenne Mountain and the visit to the Space Defense Center were of particular interest to our officers, as were the specially prepared contributions by representatives of the Air Defense Command and the Army Air Defense Command.

I hope that future Agency Midcareer groups may have the opportunity to visit NORAD for similar briefings.

Sincerely,

Richard Helms  
Director
